

Position Title: Data Analytics Adjunct Faculty
Reports To: Department & Division Head
Classification: Exempt
WC Code: 8868
Position Type: Fourth Level Administrator

Florida National University contributes to the education of a diverse student body within the community it serves. FNU employs and develops a faculty of scholars proficient in the art of teaching. We strive to prepare students for employment in their chosen careers through quality education and instruction.

Major Responsibilities: Providing quality instruction and career advisement to all students. Responsible for maintaining and accurately recording grades and adhering to the established syllabi, course outcomes, student learning outcomes, and grading criteria.

Key Responsibilities:

1. **Communication Management:** Respond promptly to daily communications via email and voicemail, addressing inquiries promptly and professionally.
2. **Policy Adherence and Ethical Compliance:** Ensure strict adherence to the University's mission, policies, procedures, ethical standards, compliance with data protection regulations and pertinent legal regulations in all aspects of admission activities.
3. **University Engagement:** Participate in Commencement Exercises, new student orientation, university events, committees, self-studies, and University Commencement Ceremonies.
4. **Special Projects:** Execute special projects assigned by the President or supervisor.
5. **Compliance Adherence:** Ensure compliance with Title IX of the Education Amendments Act of 1972, as well as FNU Policies, Procedures, Rules and Regulation, the FNU Code of Ethics, Family Educational Rights and Privacy Act (FERPA), Florida Information Protection Act of 2014 (FIPA), the EU General Data Protection Regulation (GDPR), and all other applicable federal, state, and local laws, rules, and regulations.
6. **Assigned Duties:** Undertake other assigned duties as required.

Position Responsibilities:

1. Provides appropriate level and quality instruction to students.
2. Ensures the assessment of students learning outcomes per course.
3. Submits, annually, to the Department Head or Division Head, the results of research done into a study of the local careers and industry regarding appropriateness of course/program content.
4. Reports to the Registrar's office all grades and submits reports on a timely fashion.
5. Attends all faculty meetings, professional development functions and University committees to which they have been assigned.
6. Ensures that all electronic library resources are used for university work only.
7. Maintains the posted hours for the purpose of student advisement and tutoring.
8. Performs those duties designated by the Department Chairperson.
9. Works with the librarians in the establishment and weeding of the library program and course collection development.
10. Oversee compliance with licensing and accrediting organizations.
11. Continuously oversee actions for improvements at campus level sited in the Faculty's Planning, Assessment, and Implementation Form.

Education / Experience Requirements:

- Master's degree in computer science, statistics, data science, mathematics, or a related field with Industry Certifications.
- Master's degree with at least 18 semester credit hours of graduate coursework is required.
- 3+ years of teaching experience in higher education.
- Expert-level knowledge in the subject area.
- Teaching skills with an understanding of curriculum development, assessments, and learning goals.
- Must possess demonstrated skills in using modern educational technology, including multimedia-based instruction.

Skills:

- Team player with strong work ethic who takes initiative.
- Ability to meet deadlines without sacrificing quality.
- Ability to work in a fast-paced environment with competing priorities.
- Strong communication and interpersonal skills, collaborative work style.
- Solution-focused with strong problem-solving and conflict resolution skills.
- Student-centered approach; balances team and individual responsibilities.
- Computer proficiency, including Microsoft Office, Outlook, and basic database applications.
